Grape harvest

The grapes were harvested in 2 stages, characterized by different levels of ripeness/ripening.

Vinification

The grapes were macerated at low temperatures, and the pressing was done cold. The must was fermented in stainless steel tanks at controlled temperatures.

Wine philosophy

Bottled in a 1.5l bottle, it allows lovers of semi-dry aromatic white wines to enjoy a larger quantity of their favorite wine.

Tasting notes

Yellow wine with golden hues. It is an aromatic wine, which impresses with its olfactory complexity, mixing aromas of orange blossom, roses and honey. The taste is sweet, with citrus and ripe fruit nuances, offering a pleasant sensation of freshness and balance.

Culinary associations

It is a wine suitable to be enjoyed with traditional dishes, sweet desserts and fresh fruit.

Wine philosophy

The aromatic rosé you love is running out too quickly. We offer you the solution: bottling in 1.5-liter bottles of one of the most inviting rosés!

Tasting notes

The rosé wine, with its attractive color, stands out for its aromas reminiscent of Mediterranean wines. Slightly off-dry, round and full-bodied, it exudes freshness with pronounced notes of rose petals and berries.

Culinary associations

It is a wine suitable for savory Romanian dishes.
